

Result:

All test cases produced outputs matching the expected values:

The screenshot shows a simulation transcript window with the following content:

Gray_in	Bin_out	Seg_out
0000	0000	1000000
0001	0001	1111001
0010	0011	0110000
0011	0010	0100100
0100	0111	1111000
0101	0110	0000010
0110	0100	0011001
0111	0101	0010010
1000	1111	0001110
1001	1110	0000110
1010	1100	1000110
1011	1101	0100001
1100	1000	0000000
1101	1001	0010000
1110	1011	0000011
1111	1010	0001000
